

Worship Prayer Scripture Reading Giving

Jesus invites us to grow in our discipleship.

- To gather in worship regularly.
- To hear the stories of scripture.
- To pray.
- To be generous givers to the mission of the church, and to our neighbors.

Over the next six months you will have several opportunities to grow in these four areas of discipleship.

During Advent we will be participating together in a discipleship challenge that will encourage us to grow in worship, bible reading, prayer, and giving.

In January Pastor Wallace will be offering a four-week bible study on generous giving in the bible.

In February Pastor Wallace will be offering a four-week sermon series on generosity.

During Lent we will be invited to participate together in a second discipleship challenge as we prepare ourselves for the Holy Week journey.

We encourage you to be active participants in these opportunities to grow in your discipleship and love for one another.
