

SWARM ACTIVITIES

2021:

- SWARM continues to seek Charitable Status, having submitted our completed application in December 2021.
- Continuing to assist new Canadian families to feel supported and embraced in their new city and through these difficult times
- Collection of and delivery of furniture, household items and clothing for new Afghan families
- We coordinate with other agencies in the city (CCIS, Centre for Newcomers, CIWA, etc) in assisting the many refugee arrivals
- Personal visits to new families to encourage them and help them know that they are welcome and that there are Canadians who care
- Sponsorship has begun for a young, single mother from Honduras who will arrive in a year or two
- We have been able to assist other groups who wish to sponsor, help them get started

How Can You Help:

- We need vehicles and muscles to help deliver furniture and household items - once or twice or regularly
- Donations of furniture and household items are welcome
- Visits with new families - either in person or virtually - it helps them practise english and feel welcome in our city

Join us! Offer your particular skills and interests! Assist with transportation, visit a new family, offer furniture and household items.

Our Core Committee meets through Zoom monthly and anyone is welcome anytime!
Call Marla Mulloy 403-617-6494

Please donate to support the work of SWARM in 2022:

Individual donations made out to your congregation and designated to SWARM
or

Cheques and congregational donations made out directly to
Lutheran Church of Our Saviour and designated to SWARM*
